

Roasted Snack Capabilities

SunOpta™ is the leading supplier of organic and natural food products for the private label retail and food service sector. Our mission is to help our customers develop healthier food products for their customers.

We have extensive product development and manufacturing capabilities in a variety of product categories across our company. This, combined with our global sourcing platform allows us to offer our customers unparalleled variety and service in a number of product categories. We also use our extensive product category expertise to deliver valuable insights to our customers on emerging food trends and markets to better meet the needs of their customers.

Our capabilities include:

- Sunflower Inshell
- Sunflower Kernel
- Corn
- Soy Nuts
- Pumpkin Seeds
- Coated Sunflower and Soy
- Other Custom Items

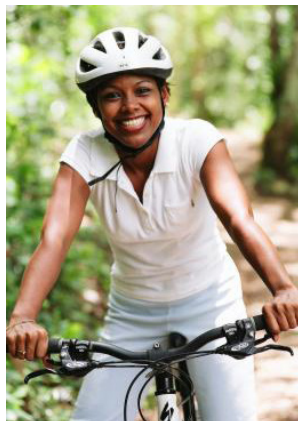

SunOpta™ offers various packaging and sizes for individual serving products and finished bulk products to meet our customer's needs. Package sizes range from ½ ounce to bulk lots, and we have re-sealable shelf-ready capabilities.

Halal and Kosher Certified, Non-GMO Ingredients

Direct Grower Connection

At SunOpta™ we hold strong ties to the grower market. We understand the importance of agriculture in the economy. With over 50 years of experience we have built long-standing relationships with growers. Through our partnership and direct work with growers, SunOpta™ is now a leading producer, supplier and ingredient developer for the industry.

Roasted and Flavored

The most common flavor of roasted products includes salted or unsalted. However, SunOpta™ offers several standard in-house flavor applications including: Ranch, BBQ, Hot and Spicy, Chili Limon, and Honey Roasted. Custom flavors are also available.

In-house Flavors

Sunflower Kernel: Salted or Unsalted, Honey Roasted, Hot and Spicy, Chile Limón, Ranch, BBQ

Corn: Roasted or Toasted, Salted or Unsalted, Ranch, Honey Roasted (also known as Kettle Corn)

Soy: Oil or Dry Roasted, Salted or Unsalted, Honey Roasted, BBQ

Soy or Sun Poppers: Coated Plain, BBQ, Cocoa

Pepitas: Oil or Dry Roasted, Salted or Unsalted

The flavor chemists at SunOpta™ work with the customer to provide samples for any desired flavor.

Promotional Displays

With our versatile packaging equipment we are able to manufacture retail ready promotional displays. The displays include: stand-up display cases, buckets, and knock out displays.

SunOpta's Roasted Snack products meet the following guidelines:

- 300 calories (or less) per serving
