**Joel Aitken  
Erica Mills  
Emily Reis  
Tanya Rensvold  
Kaleen Rietcheck  
Crystal Zawacky**

SunOpta developed this Bursary Program in 2007 for the children of SunOpta employees who are pursuing post secondary education. Bursaries are awarded annually to individuals who are interested in and are actively contributing to the community and issues of social and environmental sustainability.

The bursary program is named in honour of Jeremy Kendall for his dedicated contribution to SunOpta of over 24 years as Chairman and 23 years as Chief Executive Officer.
