NATURE'S INGREDIENTS. YOUR SUCCESS.

For more than a quarter century, the companies of SunOpta Grains and Foods Group have been gathering the best of nature's most wholesome organic grains and soybeans and helping convert them into delicious, healthy products for our customers.

As a leading provider of soy, corn, sunflower and grain-based food ingredients, we offer a comprehensive range of ingredients and services to the food industry. Our organic, Non-GMO and Identity Preserved (IP) ingredients, are valued by manufacturers worldwide. From working with our growers to identify the best seed selection, to processing and shipping your ingredients from our fully integrated facilities, your success is our goal.

A COMMITMENT TO QUALITY.

SunOpta Grains and Foods Group is dedicated to providing healthful, functional foods to the marketplace. We supply and process only the very highest-quality ingredients and whole grains that are Certified Organic and Kosher, Non-GMO and IP.
